COMMENTS:

This bill would provide that the California Attorney General shall appoint an Electronic Recordation Task Force consisting of voluntary representatives from governmental agencies and industry groups. Also, this bill would provide that notices of federal tax liens may be filed, recorded and indexed by electronic or magnetic means.

This bill also contains provisions regarding the recording of information in San Bernardino County and Orange County. These provisions do not impact the Franchise Tax Board and will not be addressed in this analysis.

The July 6, 1998, amendment added a provision regarding the recording of digitized images and eliminated the provision requiring that the chairperson of the task force be from a county that records 350,000 documents annually.

The department's analysis of AB 1906, as amended June 23, 1998, still applies.
